PROFILE

A passionate Web Development Teacher at Exquery Tech and a dedicated student at Aptech, currently exploring advanced web applications. I recently completed my web development training and strive to inspire others while continually enhancing my skills to excel in the ever-evolving world of technology.

WORK EXPERIENCE

Exquery Tech

2024-SEP - 2025-FEB

Web Development Teacher

- Design and deliver engaging web development courses, ensuring alignment with industry standards and emerging technologies.
- Mentor and guide students in mastering web development concepts, fostering their technical and problem-solving skills
- Ensure a consistent and high-quality learning experience through structured lesson plans and practical hands-on projects.

Almadina Online Academy

2022 - 5 Months

Online Quran Teacher

- Taught Quranic recitation, Tajweed, and memorization with a focus on accuracy and fluency.
- Provided personalized instruction to support students' learning progress.
